MEMORANDUM FOR: See Distribution

FROM : Associate Coordinator for Academic Relations
and External Analytical Support

SUBJECT : Academic Relations Biannual Report

1. Attached is a preliminary draft of the biannual report for NFAC academic relations during the period 1 January to 30 June 1978. It was compiled from records and information in the academic coordinator's files. Many activities carried out independently by individual offices, therefore, are not included.

2. Please provide any additional information about activities that are not listed. Some offices, for instance, regularly send out copies of unclassified reference aids to academics and frequently play host to academic visitors. Also, please note there are two new categories, University Presidents Visits and NFAC People Teaching at Academic Institutions. Please convey any additional findings to me in whatever manner you find most convenient, either orally or in writing. I would like to have them all, however, no later than 1 September 1978.
